

Southampton & Salisbury breast screening service: Screening dates 2024 to 2027

Women between the ages of 50 and 71 and registered with a GP practice will be invited for breast screening on a three yearly cycle.

How will I receive my invitation for breast screening?

You will be sent an invitation letter in the post with details of your appointment date, time and location. The screening location may be different to where you attended for your last appointment (if you have been screened before).

Can I change my appointment?

Yes – if required, you can change the appointment, date, time or location (subject to availability). You can contact us on 02381 204959 or at BSUappts@uhs.nhs.uk

When will my appointment be?

You will be invited for screening within 36 months of your last breast screening appointment. Find your GP practice in List A or B below to see approximate dates for when we will next be screening in your area.
